Title: PRESIDENT / SECY.

THIS EQUIPMENT LEASE (herein "lease" or "agreement") is made in Florence, South Carolina, by and between FIRST PRIME CAPITAL, LLC (herein "Lessor") and the above named Lessee.

1. **Lease of Equipment.** Lessor hereby leases to Lessee and Lessee leases from Lessor equipment (herein "equipment") described above upon the terms and conditions set forth herein.

2. **Lease Term.** The term of this lease commences on the date set forth above and shall continue thereafter until the end of the month for which the last lease payment required is made or until final settlement is otherwise made pursuant to the terms hereof.

3. **Lease Payments.** Within the lease term, lease payments shall be made on or before the first day of each calendar month commencing the first day of the month immediately following delivery of the equipment to Lessee. The first such payment shall include an interim charge for the period from the delivery date of the equipment to the first lease payment date. Lessee authorizes Lessor to fill in the Lease Payment Commencement Date above with the date the first lease payment is due hereunder. Time is of the essence. Should Lessee fail to pay the lease payment on the date it became due, Lessor may collect from Lessee as an additional lease payment an amount equal to five percent (5%) of such monthly lease payment. Lessor may charge a return check charge for each check of Lessee which is returned unpaid for any reason.

4. **Ownership of Equipment; Special Power of Attorney.** (a) The equipment is, and shall at all times remain, the property of Lessor and Lessee shall have no right, title or interest therein or thereto except as expressly set forth in this lease. The equipment is, and shall at all times be and remain, personal property notwithstanding that the equipment or any part thereof may now be, or hereafter become, in any manner affixed or attached to real property or any building thereon by any means. If Lessor supplies Lessee with labels stating that the equipment is owned by Lessor, Lessee shall affix and keep the same upon a prominent place on each item of equipment. (b) Lessee hereby appoints Lessor Lessee's attorney-in-fact for the purpose of executing in the Lessee's name and filing any instrument or document, including UCC financing statements, pertaining to or evidencing Lessor's interest in the equipment and for the purpose of paying, on Lessee's behalf, any fee, tax or other expense arising out of such a filing and out of a records search in connection with the same. Lessee shall reimburse Lessor for any such payment. No filing under the UCC shall imply an intention to create a security interest, it being the intention of the parties that this lease be construed as a true lease.

5. **Use of Equipment.** Lessee acknowledges that it is leasing the equipment for commercial purposes. Lessee shall use the equipment in a careful manner and shall comply with all laws and regulations relating to its possession, use and maintenance.

6. **Delivery, Location and Inspection.** The equipment shall be delivered at the address specified above and upon tender by Lessor to Lessee or its representative of each equipment in good repair, Lessor will accept delivery and execute a Delivery Receipt therefor. Lessor shall have the right to inspect equipment at any reasonable time and Lessee shall advise Lessor of the exact location of each asset. Lessee hereby authorizes Lessor to receive equipment from the manufacturer or the dealer on behalf of Lessee and deliver the equipment to the asset location specified above.

7. **Warranties.** Lessee agrees that it has selected the equipment based upon its own judgment and that Lessor has acquired the equipment only in connection with this lease. Lessee disclaims any reliance upon any statements or representations of Lessor. **LESSOR MAKES NO WARRANTY WITH RESPECT TO THE EQUIPMENT OR ANY PART OR PIECE THEREOF, EXPRESSED OR IMPLIED, AND LESSOR SPECIFICALLY DISCLAIMS ANY WARRANTY OF MERCHANTABILITY, CONDITION, MERCHANTABILITY AND OF FITNESS FOR A PARTICULAR PURPOSE AND ANY LIABILITY FOR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF THE EQUIPMENT OR INABILITY TO USE THE EQUIPMENT OR ANY PART OR PIECE THEREOF.** Lessee agrees to make the lease payment and other payments required hereunder without regard to the condition, suitability or fitness of the equipment and to look only to persons other than the Lessor (such as the manufacturer, vendor or carrier thereof) if any item of the equipment is for any reason defective.

8. **Advance Lease Payments.** Any advance lease payment paid by Lessee to Lessor for the lease of the equipment shall be applied by Lessor to the first lease payment due hereunder and, if any of the advance payment remains after such application, it will be held by Lessor for satisfaction of Lessee's obligations under this lease.

9. **Determination of Actual Cost and Stated Residual.** Actual Cost means the cost to Lessor of purchasing and delivering the equipment to Lessee, including excise and other taxes, transportation and all other charges. The amount of each estimated lease payment, the estimated cost and the estimated residual set forth above are estimates and it is mutually agreed that upon final determination of the Actual Cost, Lessor will insert the stated residual amount, adjust the lease payments proportionately if the Actual Cost differs from Estimated Cost, insert the appropriate figures and notify the Lessee of such amounts. Lessee authorizes Lessor to add to the amount of any lease payment any tax that may be imposed on or measured by the lease payments. The Stated Residual shall be the amount stipulated by Lessor and agreed to by Lessee specified above. If the Actual Cost differs materially (as determined by Lessor) from the estimated cost initially set forth above, Lessor, at its option, may terminate this lease.

10. **Insurance.** Lessee shall provide and maintain (a) policies insuring the equipment for comprehensive coverage, fire, collision, loss, theft, destruction or damage of the equipment in an amount not less than the full replacement value thereof with a maximum \$4,000 deductible, with loss payable to Lessor, and (b) public liability insurance against claims for personal injuries, death and property damage, with minimum combined single limits of \$500,000 and maximum deductible \$4,000, which insurance shall name Lessor as an additional insured and as loss payee. All insurance shall be with companies satisfactory to Lessor or its assigns. Each policy shall expressly provide that said insurance as to Lessor and its assigns shall not be invalidated by any act, omission or neglect of Lessee and that insurer will give Lessor at least thirty (30) days prior written notice before the policy is altered or cancelled. Lessee shall pay the premiums for all insurance and deliver such policies, or duplicates thereof, to Lessor upon delivery of the equipment to Lessee. Lessee hereby appoints Lessor as Lessee's attorney-in-fact to make claim for, receive payment of, and execute and endorse all documents, checks or drafts for loss or damage under said insurance policies. Lessor may apply the proceeds of said insurance to replace or repair the equipment and/or to satisfy some or all of Lessee's obligation hereunder. Lessor, at its expense, may choose to appoint a third party to act on its behalf to receive policies or notices and verify Lessee performs the insurance requirements set forth in this lease.

11. **Operation and Repair.** Lessee shall pay or cause to be paid all costs, expenses, fees and charges incurred in connection with the use and operation of the equipment and shall keep the equipment in good condition and repair and furnish all parts, mechanisms and devices required therefor. Lessee shall reimburse Lessor upon demand, as an additional lease payment, the amount of any such costs, expenses, fees or charges which are paid by Lessor.

12. **Alterations.** Lessee shall not make any alterations, additions or improvements to the equipment without Lessor's written consent. All additions and improvements made to the equipment shall become the property of Lessor.

13. **Liens and Taxes.** Lessee shall keep the equipment free and clear of all levies, liens and security interests and shall give Lessor immediate notice of any attachment or other judicial process affecting any equipment. Lessee shall pay all charges and taxes (local, state and federal) which may now or hereafter be imposed upon the ownership, leasing, rental, sale, purchase, possession or use of the equipment, excluding all taxes on or measured by Lessor's net income. If Lessee fails to notify Lessor of a change in location which results in an amendment to a filing, application for refund, or other additional administrative work to correctly file, Lessee will pay Lessor an additional fee to compensate Lessor for this additional administrative burden. Lessor, at its expense, may choose to appoint a third party to act on its behalf to administratively manage, file and remit taxes as set forth in this lease.

14. **Lessor's Payment.** If Lessee fails to procure or maintain said insurance, release said liens or pay said charges and taxes, Lessor shall have the right, but shall not be obligated, to obtain such insurance, release such liens or pay such charges and taxes and Lessee shall pay to Lessor the amounts so paid, on demand, as an additional lease payment.

15. **Assignment or Sublease.** Without Lessor's prior written consent, Lessee shall not (a) assign, transfer, pledge, hypothecate or otherwise dispose of this lease or any interest herein, or (b) sublet or lend the equipment or permit it to be used by anyone other than Lessee or Lessee's employees. Lessor may assign this lease and/or mortgage the equipment, in whole or part, without notice to Lessee and its assignee or mortgagee may reassign this lease and/or such mortgage, without notice to Lessee. Each such assignee and/or mortgagee shall have all of the rights but none of the obligations of Lessor under this lease. Lessee shall execute and deliver an acknowledgment of each such assignment and/or mortgage and shall not assert against the assignee and/or mortgagee any defense, counterclaim or offset that Lessee may have against Lessor. Subject to the foregoing, this lease inures to the benefit of and is binding upon the heirs, legatees, personal representatives, successors and assigns of the parties hereto. Lessee hereby waives any and all existing and future claims and offsets against any lease payments or other payments due hereunder and agrees to pay the lease payments and other amounts hereunder regardless of any offset or claim which may be asserted by Lessor or on its behalf.

16. **Loss and Damage.** Lessee shall bear the entire risk of loss, theft, destruction or damage of the equipment from any cause whatsoever and no loss, theft, destruction or damage of the equipment shall relieve Lessee of the obligation to pay lease payments or of any other obligation under this lease. In addition, Lessee shall bear the entire risk of loss, theft, destruction or damage of the equipment in the course of its transportation or delivery to Lessee, notwithstanding the failure of Lessee to execute a Delivery Receipt for such equipment.

17. **INDEMNITY.** Lessee hereby indemnifies Lessor against and agrees to hold it harmless from any and all claims, actions, proceedings, liability and expense (including legal expense) arising in connection with the equipment, including without limitation the manufacture, selection, ordering, purchase, delivery, possession, ownership, use, condition, operation or return thereof and including liability for death or injury to persons, damage to property and strict liability under the laws or judicial decisions of any state or of the United States. This indemnity will survive a termination of this lease.

**18. Default.** Each of the following events will constitute an "Event of Default" hereunder: (a) Lessee's failure to pay when due any lease payment or other charges required herein to be paid; (b) Lessee's failure to observe or perform any other agreement required herein to be observed or performed by Lessee and Lessee's continued failure for ten days following written notice thereof by Lessor to Lessee; (c) the cessation of doing business as a going concern or assignment for the benefit of creditors by the Lessee or any guarantor of this lease or any partner of Lessee if Lessee is a partnership; (d) the bankruptcy or receivership of Lessee; (e) the death of any individual Lessee, guarantor of this lease or partner of Lessee if Lessee is a partnership; (f) Lessee's failure to submit timely financial or credit information requested by Lessor or Lessee's submission of financial or credit information that is false or misleading in any material respect when submitted; (g) the occurrence of an event of default under any other obligation or agreement of Lessee to or with Lessor; (h) Lessee's default in the repayment of any indebtedness Lessee may now or hereafter owe Lessor or any affiliate thereof or any other entity or person; and, (i) the existence of circumstances which causes Lessor, in good faith, to be insecure regarding Lessee's performance of its lease obligations and, within ten days following notice by Lessor advising Lessee of such circumstances, Lessee has failed to take such action as is necessary and sufficient to remove such insecurity.

**19. Remedies.** Lessor and Lessee agree that Lessor's damages suffered by reason of the occurrence of an Event of Default are uncertain and not capable of exact measurement at the time this lease is executed and therefore they agree that, for purposes of this paragraph, "Lessor's Loss" as of any date will be the sum of the following: (i) the amount of the first 12 lease payments have not become due as of such date; plus (ii) the amount of all lease payments and other amounts payable by Lessee hereunder that are due but unpaid as of such date; plus (iii) all lease payments and other amounts required hereunder to be made during the course of the remainder of the term hereof less unearned income which would otherwise have been realized by Lessor from the date of termination or surrender through the remainder of the term of this lease; plus (iv) the Stated Residual of the equipment as set forth above. Upon the occurrence of an Event of Default and at any time thereafter, Lessor may exercise any one or more of the following remedies:

(a) Lessor may, by written notice to Lessee, terminate this lease and declare an amount equal to Lessor's Loss as of the date of the notice to be immediately due and payable, and the same will then be and become immediately due and payable without further notice or demand, and all rights of the Lessee to use the equipment will terminate but Lessee will remain liable as provided in this paragraph. Lessee will at its expense promptly deliver the equipment to Lessor at a location specified by Lessor. Lessor is also entitled to enter upon the premises where the equipment is located and take immediate possession of and remove the equipment with or without instituting legal proceedings and without incurring any liability to Lessee for any damages resulting from the taking of possession of the equipment.

(b) Lessor may proceed by appropriate court action to enforce performance by Lessee of the applicable covenants of this lease or to recover, for breach of this lease, Lessor's Loss as of the date Lessor's Loss is declared due and payable hereunder. Lessor may elect binding arbitration of any dispute with Lessee regarding a default by Lessee and any such arbitration will be conducted in Charlotte, North Carolina pursuant to the Rules of the American Arbitration Association.

(c) In the event Lessor repossesses the equipment, Lessor will publicly or privately sell or lease each item of the equipment in such manner and upon such terms as Lessor may in its sole discretion determine to be appropriate. The proceeds of the sale or lease will be applied to reimburse Lessor for Lessor's Loss and any additional amounts due under subparagraphs (d) and (e), below. Lessor will be entitled to any surplus and Lessee will remain liable for any deficiency. For purposes of this subparagraph, the proceeds of any lease of all or any part of the equipment by Lessor will be the amount reasonably assigned by Lessor as the cost of such equipment in determining the lease payments under such lease.

(d) Lessor may recover interest on the unpaid balance of Lessor's Loss from the date of the Event of Default until the date that it is fully paid equal to ten percent or the highest rate permitted by law.

(e) Lessor may exercise any other right or remedy available to it by law or agreement, and may in any event recover attorneys' fees of fifteen per cent of Lessor's Loss together with all other expenses incurred by reason of an Event of Default or the exercise of any remedy hereunder, including without limitation the expenses of repossession, repair, storage, transportation and disposition of the equipment.

No remedy provided for in this paragraph is intended to be exclusive and each will be cumulative but only to the extent necessary to enable Lessor to recover from Lessee amounts for which Lessee is liable hereunder. No express or implied waiver by Lessor of any breach of Lessee's obligations hereunder will constitute a waiver of any other breach of Lessee's obligations hereunder.

**20. Extension of Lease Term.** If Lessee fails to purchase the equipment and otherwise comply with Paragraph 21 below, Lessor may, in its sole and absolute discretion, extend the term of this Lease for one year. During such lease extension, the lease payment amount shall equal the Monthly Lease Payment set forth above and all of the provisions hereof shall continue in full force and effect.

**21. Surrender and Final Settlement.**

(a) On or before the termination of this Lease, Lessee shall pay Lessor all sums due hereunder, whether for lease payment or otherwise. If any such sum is past due, it will bear interest at the highest rate allowed by law and such accrued interest shall be paid by Lessee prior to termination.

(b) Provided that Lessee shall have faithfully performed all the conditions imposed upon Lessee by this lease, Lessee shall at the expiration of the original lease term, or at the expiration of any extended lease term, purchase the equipment for the Stated Residual plus \$100.

**22. Notices.** Any written notice or demand shall be given to a party by mailing it to the party at its address set forth above, or at such address as the party may provide in writing from time to time. Notice or demand so mailed shall be effective when deposited in the United States mail, duly addressed and with postage prepaid.

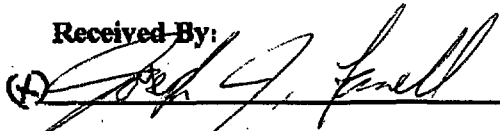

**23. Financial Information.** Lessee shall provide Lessor with continuing periodic financial statements at intervals of not less than every year from the date of this lease, which financial statements shall consist of a balance sheet and a statement of earnings of Lessee, such statements to be prepared in accordance with generally accepted accounting principles.

**24. Facsimiles.** For convenience, Lessor may accept a facsimile copy of this lease with facsimile signatures. Lessee agrees a facsimile copy will be treated as an original and will be admissible as evidence of this lease.

**25. Entire Agreement; Miscellaneous.** This agreement, together with Schedule "A", if attached, and the Delivery Receipt executed by Lessee in connection with the equipment, constitute the entire agreement between Lessor and Lessee and supersede any agreement heretofore entered into between the parties relating to the equipment. If more than one Lessee is named in this lease, the liability of each shall be joint and several. No agent or employee of any manufacturer or dealer is authorized to bind Lessor, waive or alter any term or condition or add any provision hereto. Waiver by Lessor of any provision in one instance shall not constitute a waiver as to any other instance. This lease shall be governed by and construed in accordance with the laws of the State of South Carolina. The plural shall include the singular and the singular the plural. Lessee shall provide Lessor with such corporate resolutions, opinions of counsel and other documents as Lessor shall request from time to time. Any provision of this agreement prohibited by law shall be ineffective to the extent of such prohibition without invalidating the remaining provisions of this agreement.
